

“Yes” and “Amen”

2 Corinthians 1:20

For no matter how many promises God has made, they are “Yes” in Christ. And so through him the “Amen” is spoken by us to the glory of God.

On Easter morning, through His resurrection from the dead, Jesus said “Yes” to every promise of God.

Every day, through the presence of the resurrected Christ in our lives, Christians say “Amen” to what God has done and bring glory to His name.

We can say “Amen” with our words.

We can say “Amen” with our lives.

We say “Amen” through Him.

We aren't here to prove the resurrection of Jesus. We're called to demonstrate His resurrection power through our changed lives.

Christ is risen from the dead to say “Yes!” to every promise of God.

And we who allow His victory to become our salvation are changed forever and our lives proclaim, in word and deed, Amen!
