

## Because He Lives

What is the message of Easter?

*He...lives!*

### Because He Lives...

I will never walk alone. ...

I know that I can be forgiven.

I will live for what matters.

I will seek real treasure.

I believe.

I will take up my cross.

I know that my work in the Lord is not in vain.

I will not be afraid.

I will not look upon anyone or anything as hopeless.

There is hope for me.

I know that Jesus lives in the least of these.

I will be a witness!

I will never tell the story alone.

Though I grieve, I do not grieve as those who have no hope.

I know who holds tomorrow.

How do you experience Easter for yourself?

He lives in me!
