

Getting Your Bible Off of Your Shelf and Into Your Life: Live Like You're from Berea! Acts 17:1-15

This church didn't take its name from the community; our community took its name from this church.

Our spiritual forefathers chose the name of a small town where Paul visited, preached, and started a church.

Our forefathers chose the name "Berea" because they wanted to remember and follow the example of the New Testament Bereans:

The Bereans were of noble character; they had the spiritual maturity that allowed them to listen.

The Bereans received God's message with great eagerness.

The Bereans studied the scriptures daily to judge the truth and experience the truth for themselves.

The Bereans grew as Christians and as a church.

We were named "Berea" so that we would live like Bereans.

So how can we live like we're from Berea?

Live with an opened mind and a listening heart.

Live in eagerness to receive God's message.

Study the scriptures daily to judge the truth and to experience the truth for yourself.

Nourished by His Word, God will grow your faith and grow His church.
