

The Highway of Holiness
(part two)

“...be holy because I am holy.” – I Peter 1:16

*To belong wholly to God – to bring every area of life under God’s influence and leadership.

*To reflect His nature, His character; increasingly committed to “being like Jesus” through the help of the Holy Spirit.

***Revive** – “return the life to”

*To “fear” God is to have a reverent awe; to reverence, respect, honor

*Psalm 33:8 *Psalm 34:9 *Acts 9:31 *Acts 10:34-35

*To “fear” God means we take God seriously...

-that what God speaks is truth (Hebrews 4:12, John 16:13-15, John 8:32)

-what He says He will do, He will do (Psalm 124:8, Romans 4:21, Hebrews 10:23)

-what He expects from our lives, He looks for (II Chronicles 16:9)

*There is a direct relationship between a high and holy view of God and a high and holy view of sin.

*God is just, His first move toward our lives is grace and mercy, but His justice also demands judgment and discipline.
