The Souper Bowl of Caring is an emphasis that takes our nation's interest in a football game and transforms it into concern for the hungry. On February 6, Super Bowl Sunday, our students will be at the doors with large soup pots to receive donations from us as we leave both morning worship services. These funds will be used by our church's **Reaching Center** to purchase food for families in need in our community. Let's fill the soup pots with support so that we can fill the stomachs and hearts of people who need help in the spirit of Christ.
