OPERATION

Love From Home

Operation Love from Home

Will Be Launched This Sunday!

OLFH is a church-wide opportunity to express our support for young men and women serving in the military by sending them care packages of needed items. Sgt. Brent Cobb will be our guest this Sunday morning and, as part of the service, will share with us what home support means to those serving overseas. We will collect needed items during the month of May, pray for these items and those who will receive them on May 29, then mail our OLFH packages to soldiers. We will list needed items in *Reflections* and on our church web page (www.bereafbc.org). Donations are needed to pay shipping costs (about \$35 per package). The Blue Star Mothers organization has graciously offered to help us organize and pack our care packages. Let's support our troops by sending some love from home!

How You Can Help Our Child Development Center

1. Pray for Dawn Maness and Kelley Rackley, our CDC Directors, and all of the teachers and helpers who serve God by ministering to children each day.

2. Recommend our program. We enroll a high percentage of the children whose families visit our CDC and see the quality of our teaching and facilities. Suggest that your friends in need of childcare call our CDC (294-9001) and schedule a visit.

3. Donate supplies. When you shop, pick up paper towels, baby wipes, hand soap, Kleenex, construction paper, or Band-Aids to donate to the CDC. Every donation lowers our costs and allows us to invest more in the care and education of our children.
