Life can leave us focused on survival, pressure, and nonstop responsibility. This night invites women of all ages to pause, breathe, and shift our eyes back to God's heart and character. Our theme, Names of God, reminds us that He is our peace, provider, healer, comforter, and ever-present help. His Name speaks hope, peace, and truth in every language.

Through worship in both English and Spanish, prayer in your native tongue, encouragement from sisters from all cultures, and the community we sisters need, we'll gather to rest in His presence and remember who He is in every season of life.

We're also excited to welcome special worship guests! You won't want to miss this meaningful evening together.

Please let us know if you're coming; we appreciate RSVPs so we can prepare and ensure there's enough space for everyone.

Bring your daughters! Young girls are welcome to join us; however, a nursery will not be provided.

Come as you are—and leave refreshed. We can't wait to see you there.
